Airline Security Measures

The Transportation Security Administration requires that travelers provide their name exactly to their airline as it appears on the passport or a government issued I.D. (such as a driver's license) to be used while traveling, along with their date of birth and gender when making reservations to fly within the U.S. When making your flight reservations through Mayflower Cruises & Tours, you will be asked for this information by our staff. Due to airline security measures, your photo I.D. or passport must match your airline ticket name and your tour reservation name or you may be denied aircraft boarding.

Passport & Visas for Canada and Mexico

Each U.S. citizen must have a valid passport for entry into Canada or Mexico. No other documents will be accepted. Expiry date of passports should be at least six months after the return date of tour. If you don't have a passport, call our office and we'll tell you how to apply for one. Holders of non-U.S. passports should contact their nearest consulate and inquire about the necessary passport or visa documentation required for entry into the countries visited.
