Whiskey, Fire & Ice - Scotland to Iceland

⌚ 14 Day Itinerary 📍 Edinburgh > Reykjavik

Set sail for lands where legends are born. From the windswept coastlines of Scotland to the isolated Faroe Islands and the vast glaciers of Iceland, this is a thrilling Discovery Voyage through Northern Europe's most dramatic landscapes, immersing you in ancient myths and natural wonders.

Departure Date: June 1, 2026

Return Date: June 14, 2026

Whiskey, Fire & Ice – Scotland to Iceland

The Ring of Brodgar, a Neolithic Site in the Orkney Islands, Scotland

Day 01 Depart the USA

Depart the USA on your overnight to Edinburgh, Scotland.

Day 02 Leith (Edinburgh)

You will be met by a representative of Mayflower Cruises & Tours and transferred to your hotel. The remainder of the day is at your leisure to begin your independent exploration of Edinburgh. Spread out under the gaze of its ancient castle, the city is an inspiring blend of history, culture and nature. It's said to have more pubs per capita than anywhere else in the UK, so take some time to join the locals for a pint.

Day 03 Leith (Edinburgh)

After checking out of the hotel today, transfer to Leith where you'll board your ultra-luxury Discovery Yacht, Scenic Eclipse. Meet the Captain, crew and Discovery Team, and settle into your spacious suite. Join your fellow guests at the Sky Bar for a glass of Champagne before setting sail. *Meals: B. L. D.*

Day 04 Kirkwall, Orkney Islands

Founded approximately 1000 years ago, Kirkwall is the capital of the Orkney Islands, just off the northern tip of the Scottish mainland. A Viking spirit still runs through the town, centred around the grand St Magnus Cathedral, a masterpiece of medieval architecture.

Wander the charming streets lined with quaint shops and cozy cafes and soak up the early summer sunshine in pretty Tankerness House Gardens. Dive into Orkney's rich heritage at the Orkney Museum or go all the way back to prehistoric times at the world-famous Neolithic sites of Skara Brae and the Ring of Brodgar. *Meals: B. L. D.*

Day 05 Lerwick, Shetlands

The most northerly point of the British Isles, the Shetland Islands sit almost 200 kilometers off the north coast of mainland Scotland. Lerwick is the island group's only town and has a charming waterfront lined with sandstone buildings dating back to the 18th century. This is the place where Norse heritage meets Scottish charm. Listen out for the sound of traditional Shetland music as you walk through the twisting lanes and bustling market square of this pretty harbor town.

Meals: B. L. D.

Day 06 Tórshavn, Faroe Islands

Named after Thor, the Norse god of weather, strength, and growth, Tórshavn is one of the world's smallest capital cities in one of Europe's least travelled destinations. The Faroe Islands offer a captivating blend of Scandinavian culture and breathtaking natural beauty. Wander down cobbled alleyways between colorful buildings with grassy roofs and imagine life in Viking times. Towering cliffs, craggy fjords and powerful waterfalls create a wild landscape. Stand on your private verandah this afternoon as Scenic Eclipse sails out through the majestic Djupini Channel, known for its dramatic cliffs rising to approximately 1,000 meters above sea level. *Meals: B. L. D.*

Day 07 At Sea > Seyðisfjörður

Enjoy a relaxing day at sea as you make your way north towards Iceland. Perhaps ask your butler to bring breakfast to your suite, to be enjoyed as you watch the icy ocean slip from your private verandah. Then explore some of the indulgent spaces on board, from the welcoming Observation Lounge to the indulgent Senses Spa# with its sauna and heated therapy lounge.

Have your camera ready for the spectacular views as we sail into Seyðisfjörður this evening. Scenic Eclipse will be docked here overnight, so you'll have ample time to explore local delights. *Meals: B. L. D.*

Day 08 Seyðisfjörður

In a country with an abundance of natural drama, Seyðisfjörður may steal the show. Set at the mouth of a beautiful fjord, this is East Iceland's heart of culture, heritage and hospitality – then there's the architecture. The center of town is known for 19th-century timber houses perched on the side of the lagoon, built by fisherfolk when the region was booming.

There's plenty of culture to go with the small-town country charm, complemented by plentiful wildlife, including reindeer and porpoises drawn by the verdant setting of cascading waterfalls and snow-capped mountains. *Meals: B. L. D.*

Day 09 Husavík

Nestled on the edge of Shaky Bay, Húsavík has a long history and was the first place in Iceland to be settled. In the year 860, a Swedish Viking and his crew built Iceland's first house here as they wintered on the island. Today, it's known for its colorful houses, unique museums and stunning peaks across the bay, making it one of the prettiest fishing villages in the northeast. It's considered the Whale Capital of Iceland, and you can spot various species breaching from the deep blue waters regularly between May and September, while pods of dolphins frolic year-round. *Meals: B. L. D.*

Day 10 Grimsey Island

Grimsey is a small island north of the Icelandic mainland, home to only 100 people and one million seabirds. Nesting on the high cliffs that surround the whole island, the chatter of seabirds here is constant, especially during the 24 hours of sunshine in summer. This green, grassy outcrop straddles the Arctic Circle, making it one of the few places on earth where you can cross over the Arctic Circle on foot – truly a once in a lifetime experience. Enjoy this unique opportunity to experience the magic of the far north and leave footprints on the edge of the world. *Meals: B. L. D.*

Day 11 Dynjandivogur Waterfall

Weather permitting, today we visit the jewel of the Westfjords, Dynjandi Waterfall. Feel the freezing mist on your face as you admire the cascading bridal veil falls and discover why it was nicknamed 'the thunder'. Tumbling down seven tiers over 100 meters, it is one of the most beautiful waterfalls in Iceland.

Later this afternoon we will sail past the towering Látrabjarg bird cliffs. This dramatic promontory is the westernmost point of Iceland and is one of the largest bird cliffs in Europe. It's home to millions of seabirds, including puffins, razorbills, fulmar, guillemot, kittiwakes and more, who nest in the cliff with their chicks. *Meals: B. L. D.*

Day 12 Grundarfjörður

Grundarfjörður is a picturesque town nestled in the heart of Iceland's stunning Snæfellsnes Peninsula. Surrounded by towering mountains and pristine fjords, Grundarfjörður offers a captivating blend of natural beauty and Icelandic charm. Explore the quaint streets lined with colorful houses, or venture into the nearby wilderness to discover hidden waterfalls and volcanic landscapes.

Make sure you catch a glimpse of the iconic Kirkjufell mountain, a favorite among photographers and nature enthusiasts. *Meals: B. L. D.*

Day 13 Heimaey

The earth is always rumbling beneath Iceland. Today, you'll see a perfect example of nature's ability to both create and destroy. When the volcano Eldfell, meaning 'Hill of Fire', erupted here in 1973, parts of the island were covered in lava and ash, sealing them in a virtual time capsule. Walking through the town, you'll be able to see signs of the eruption and fallout.

Keep your eyes open for our black and white friends, with more Atlantic puffins nesting here than anywhere else in the world. *Meals: B. L. D.*

Day 14 Reykjavik

Your voyage concludes in Reykjavik this morning. After one final breakfast on board, disembark your ultra-luxury Discovery Yacht. Farewell the crew and your fellow guests, taking with you a wealth of memories from an unforgettable voyage. Please book your flight to depart out of Reykjavik after 12:00 PM. *Meal: B.*
